

Kilcoy Indoor Sports Centre

PROPONENT

SOMERSET REGIONAL COUNCIL

Since its construction in 1996 the Kilcoy Indoor Sports Centre has been providing a valuable recreation service to this growing community and the surrounding regions.

Over the past 26 years the facility has evolved to incorporate gym and gymnastics facilities. Whilst the facility has proved to be a great recreational asset, it increasingly is unable to meet modern standards and community needs.

Identified gaps to optimal performance for the facility include; insufficient space, insufficient storage, non-usable space, insufficient insulation and ventilation and insufficient parking.

BENEFITS TO THE REGION

- Create a regional sporting hub that will cater for the growing community athletic requirements and needs.
- Open the region up to host more indoor sporting events.
- Create a modern and efficient sporting space for the region.
- 30 FTE jobs created during construction.

KEY PARTNERS

Local people creating local opportunities

Regional Development Australia (RDA) Committees are made up of local people creating local opportunities.

Regions are incredibly diverse, and there is no one-size-fits-all approach - the government and RDAs are working with each other to solve the challenges and harness place-based opportunities.

RDA Ipswich & West Moreton

As part of a broader network of committees throughout Australia, our committee plays a vital role in promoting and supporting economic development within the Ipswich and West Moreton region.

Our goal is to bring together local leaders from various sectors and work collaboratively with all levels of government, businesses, and community groups to ensure the long-term growth and prosperity of the region.
